## HEARST GETS CALIFORNIA DELEGATION

By a Majority of Only Nineteen Votes--Delegates Were Instructed for the Congressman.

After Hot Debate Fight Was Carried From Committee to Convention.

## EDITOR LOSES TWO STATES

Wisconsin and Montana Give Hearst Adherents Severe Drubbing and He Loses Out.

Santa Cruz, Cal., May 17.—By a majority of 19 votes the democratic state convention tonight instructed the delegation to the national convention at St. Louis to vote for Congressman W. R. Hearst for president. The vote stood: For instruction, 365; against, 346.

The day has been consumed in attempting to effect a permanent organization, drafting resolutions, oratory and clearing the decks for a vote.

The real contest of the convention commenced at the beginning of the afternoon session when a sub-committee of five, to whom had been referred the resolutions regarding the instructions and non-instructions of the national delegates, made their report to the general committee. A majority of the committee disregarded the resolutions calling for instructions and favored those calling for non-instruction. A long and heated debate followed, resulting in the adoption of the resolution

commendatory to Hearst, but unfavorable to binding the delegation. The Hearst forces then carried the fight into the convention.

## HEARST LOSES WISCONSIN.

Congressman Blamed Down Hard by Adherents of Wall.

Milwaukee, Wis., May 17.—The supporters of Edward C. Wall defeated the adherents of W. R. Hearst in the democratic state convention today, the resolution instructing the Wisconsin delegates to the national convention for Wall being adopted by a viva voce vote.

## MONTANA SLAMS HEARST.

Adopts Platform Calling for Uninstructed Delegation.

Great Falls, Mont., May 17.—Senators W. A. Clark and Paris Gibson and Governor J. K. Toole were unanimously chosen tonight as three of Montana's six delegates to the national convention at St. Louis by the state democratic convention, and the delegates at the hour of midnight were still busily debating the selection of three more. The effort of the Hearst followers to secure his endorsement from the convention met with defeat, the platform adopted calling for an uninstructed delegation.

Harry Galloway of Butte, W. G. Conrad, Great Falls and Martin Maginnis of Helena were elected as the three remaining delegates to the national convention at St. Louis.

## IDAHO INDORSES TEDDY.

Republican Convention in That State Will Be Tame Affair.

Pocatello, Idaho, May 17.—The city is rapidly filling with delegates to the republican state convention, which will meet here tomorrow afternoon. Congressman French will probably be temporary chairman. There is no particular contest. Delegates will be elected by judicial districts and in four districts there will be no contest. Delegates will be elected as follows:

First district, Senator Heyburn; Third district, W. E. Borah, Boise; Fourth district, F. R. Gooding; Fifth district, D. W. Stanrod.

The convention will indorse Roosevelt by a unanimous vote.

## ZASSALITCH NO LONGER COMMANDS CZAR'S SECOND SIBERIAN ARMY DIVISION

Replaced By Count Kellar, Who Is a Younger Man and More Active Soldier--Zassalitch Will Not Be Disgraced.

Japs Hold Southern and Liao Tung Peninsulas--Kuropatkin Confirms Landing of Japanese Troops in Message to Emperor--General Miles Voices Opinion That War Will Be Long and Desperate and Involve Other Nations.

St. Louis, May 17.—General Nelson A. Miles, who is here attending the good road convention, expressed the belief today that the Russo-Japanese war will eventually involve other nations. "I believe the war will be a long and desperate one," said the general.

## ZASSALITCH IS DEPOSED.

Relieved of Command of Second Siberian Army Division.

St. Petersburg, May 17.—The announcement was made tonight that General Zassalitch has been relieved of the command of the second Siberian army division and General Count Kellar, former governor of Ekaterinoslav, has been appointed to succeed him.

Since the battle of Yalu it has been predicted that Zassalitch would not long retain his command, but there has been no disposition to act hastily. The emperor's advisors could not forget that while Zassalitch did not carry out the plan of operations he had displayed a stubborn resistance which showed to the world that the Russians had not lost the courageous spirit of past generations.

What will become of Zassalitch can not be learned tonight, but it is em-

phatically stated that there is no intention to disgrace him.

General Keller recently resigned the governorship of Ekaterinoslav in order to go to the front. He is a soldier rather than an administrator and is younger than Zassalitch, being only 45 years old. He participated in the Turkish war.

## JAPS ARE MASTERS.

Liao Tung and Southern Peninsulas Are in Their Hands.

St. Petersburg, May 18.—(2 a. m.)—Advices received by the general staff show that the Japanese are practically masters of all the southern and Liao Tung peninsula, save Port Arthur and the territory commanded by its guns. This result, so promptly brought about, is due to the failure of the Russians to make opposition of any consequence to the Japanese advance.

A member of the general staff said to the Associated Press that the removal of the guns from the fortifications erected at Kinchau and the destruction of Port Dalny were primarily for the purpose of concentrating the entire Russian force at Port Arthur.

## LANDING IS CONFIRMED.

General Kuropatkin Wires Emperor to That Effect.

St. Petersburg, May 17.—The following telegram from General Kuropatkin to the emperor, dated May 16, has been given out here:

"Toward noon 17 steamers approached Siung Yuocheng and opened fire upon the town while five vessels approached the shore. At 1:30 p. m. three large steamers appeared off the cape and at 3:30 p. m. the enemy landed at Huang Tsia Tung, and commenced to march in the direction of Kai Ping."

## KAICHAU SILENCED.

Japanese Fleet Attacked Shore Defenses Today.

London, May 17.—The correspondent at Shan Hai Kwan of the Chronicle says the Japanese troops landed at Kai-chau both Sunday and Monday, meeting with small opposition.

The Telegraph's Nuchwang correspondent cables:

"The Japanese with a large fleet of transports and warships appeared at Kai Chau Monday and opened a terrific bombardment against the shore defenses, which were silenced by 4 o'clock in the afternoon, the Russians retreating to Haishi Chao. The Japanese troops landed and are today advancing rapidly, outflanking Tashi Chao and Niu-Chwang."

## NO DRINKS IN CANAL STRIP.

Attempt to Make the Zone Prohibition Territory.

Washington, May 17.—Various temperance organizations have begun a campaign to make the Panama Canal zone prohibition territory. Admiral Walker, the chairman of the commission, asked concerning the feasibility of prohibiting the sale of liquor by a congressional committee, said that such a course would be absurd for the reason that it would be impossible to enforce the regulation. Drinking on the strip is not considerable. While people use light wines and beer almost universally, there is comparatively little drunkenness.

## TO BRACE THE BROWNS.

Dugdale Will Assume Management of Portland Team.

Portland, May 17.—It is reasonably certain that by the end of the week D. E. Dugdale of Seattle will have

assumed the management of the Portland baseball team, although not of its financial affairs. It is understood to be the plan to have Fred Ely resign as manager, following which the president will appoint Dugdale. Ben Ely will, it is believed, retain his interest in the club and continue as president.

## ELOQUENCE IN OHIO.

Republican Convention Opens in Blaze of Oratory.

Columbus, O., May 17.—The feature of the republican state convention came after the business of temporary organization had been completed.

After the routine business was disposed of the Foraker men got the first call and the senior senator made a rousing speech. The Dick men afterward got up a counter demonstration and the junior senator also made a speech.

As Governor Herrick had made the keynote speech as temporary chairman, the Foraker men insisted on getting their favorite to the platform but the rivalry was shut out by adjournment.

The temporary organization was made permanent, so Governor Herrick continues as presiding officer. It is settled that Herrick, Foraker, Dick and Cox will be the delegates at large.

## WEEKLY CROP BULLETIN.

Weather Has Been Cool, But Crops Are Promising.

Washington, May 17.—The weekly crop bulletin published by the weather bureau says:

The week has been too cool on the north Pacific coast, but the crop is in promising condition, and while a fair crop is indicated in California, the outlook in most states is not as good as during earlier weeks. In Washington spring wheat has suffered from the cold, but the outlook in Oregon is more favorable.

## DEADLOCK CONTINUES IN ILLINOIS

Two Breaks in Yesterday's Ballots Failed to Bring Desired Results and Suspense Continues.

Thirty-eight Ballots Have Been Taken and the End Not Yet in Sight.

## SHERMAN THROWS TO DENEEN

Will Give Him Until Noon Tomorrow to Gather Strength--They Try to Stampede.

Springfield, Ill., May 17.—Two breaks in the voting in the Illinois republican convention today, one for Frank Lowden and one in the interest of Charles S. Deneen, failed to break the deadlock and the convention took a recess until tomorrow. The first break came during the morning session, when Yates votes in Kane and White counties were thrown to Lowden. After voting for the latter for two ballots, the delegates returned to Yates, declaring it was useless to remain longer. Tonight Sherman threw his entire strength to Deneen and his delegates voted with the latter for two ballots.

Sherman's men will vote for Deneen tomorrow to Yates, declaring it was to develop his full strength. The Yates men are standing firm tonight.

The 38th ballot, taken just before the convention adjourned tonight, resulted: Yates, 490; Lowden, 393½; Deneen, 411½; Hamlin, 113; Warner, 37; Sherman, 2; Pierce, 25.

## INDORSE ROOSEVELT.

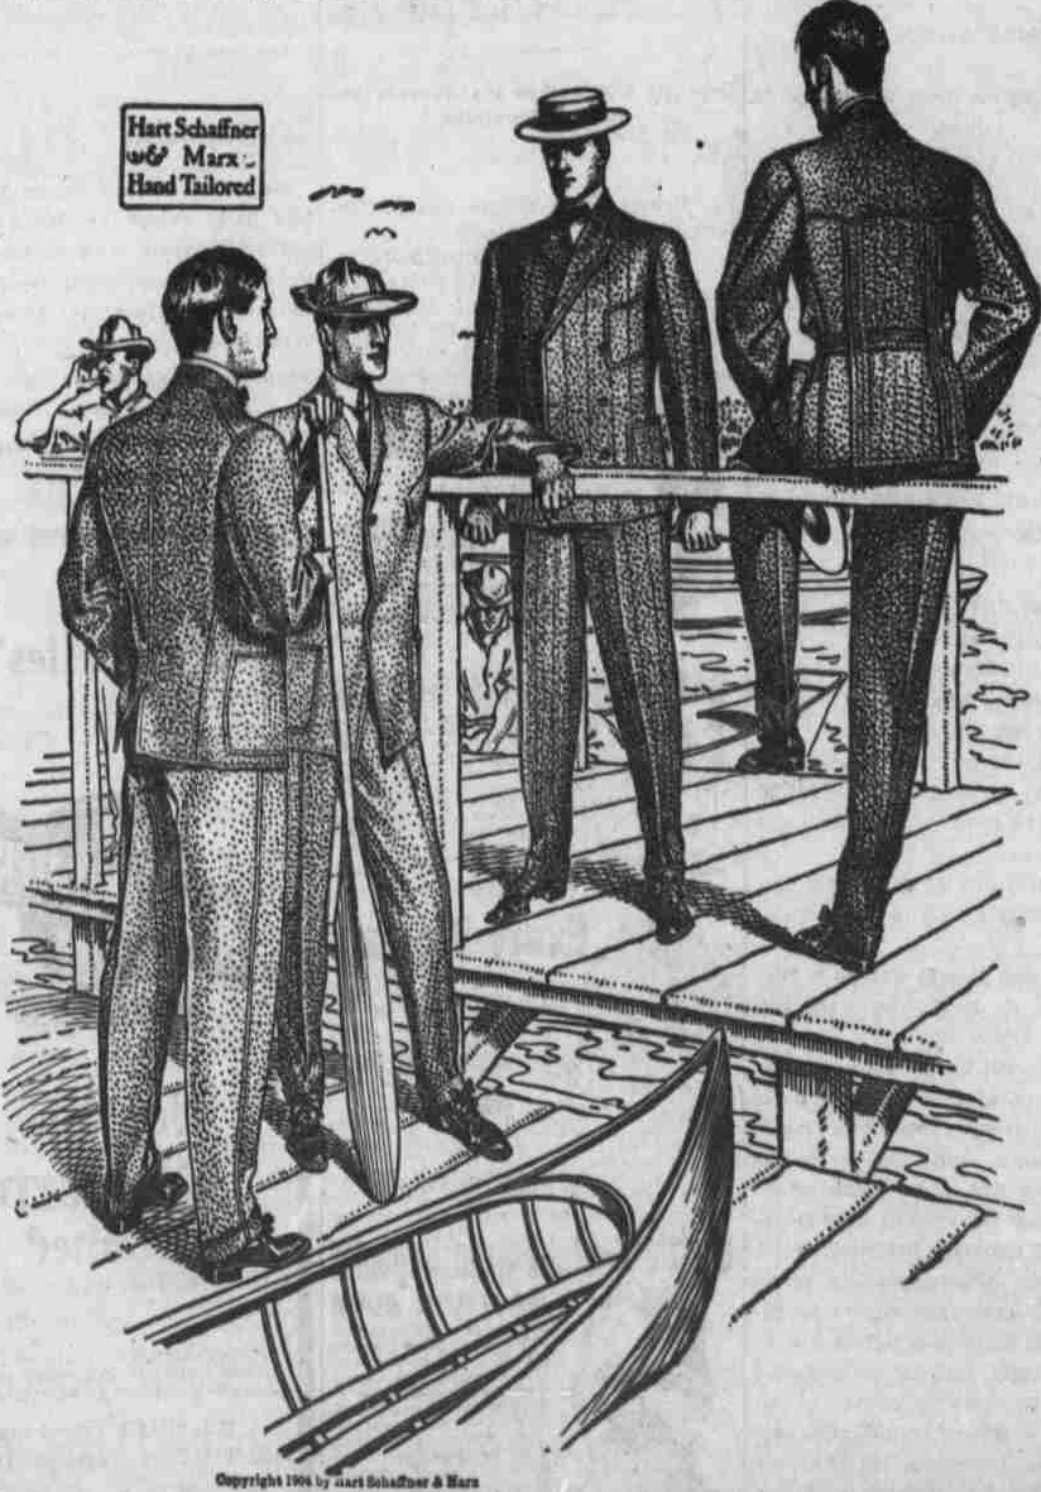

California Republican Convention Favors National Administration.

Sacramento, May 17.—The republican state convention will assemble here tomorrow and the gathering promises to be both harmonious and enthusiastic. Nearly all the district delegations have been directed to vote in favor of and indorsing the present national administration, and to instruct delegates for Roosevelt.
